

Soothing Footspray

with Peppermint and Menthol

Regular Size 4 FL OZ
Approx. 750+ sprays

Protection From Bacteria And Fungus

This medicated product kills harmful bacteria and fungus. The powerful yet pleasant smelling spray soothes and invigorates tired and aching feet while controlling odor and preventing infection.

- easy-to-use format is hands-free - just spray and let dry.
- refreshes feet on contact and the quick drying formula evaporates quickly and immediately cools hot feet.
- leave behind a relaxing tingling sensation. After a hard day at work or a few hours at the gym, KINeSYS Footspray will keep you going.
- non-aerosol spray pump is superior to messy propellant based footsprays or traditional foot powders and creams. This unique Soothing Footspray is an easy way to treat existing conditions and prevent future problems.
- as an antiseptic, this product is also a versatile locker room essential. Spray in shoes or ski boots to disinfect and control odor. Use on athletic equipment like hockey gear, helmets, gloves, hip waders and hats to kill germs and refresh. Safe for the whole family.

Protection:

KINeSYS Soothing Footspray kills gram-positive and gram-negative bacteria as well as fungus microbes on feet and surfaces. Use twice daily to treat minor foot ailments and/or odor or daily as a preventative measure.
